

Affordable Housing Partnership for Artists

Interested in applying for affordable housing? Applications are now available for One Santa Fe in the Arts District and will soon be available for another brand new building Downtown. One Santa Fe will begin accepting completed applications in person at 9:00 am on June 16, 2014. Make sure you are ready!

Come learn about the tenant selection processes, review the application forms, and find out how to avoid common pitfalls. Choose one of nine workshop options. RSVP required.

Please review our website at www.AffordableArtistHousing.org prior to attending a workshop. You will find:

- Affordable housing eligibility criteria
- Links to applications
- Important contact information and deadlines
- Material to help you prepare
- And more!

The Affordable Housing Partnership for Artists is not affiliated with the ownership, management, or tenant selection process for One Santa Fe or any other affordable housing development. It is our mission to engage in outreach and education that increases access to affordable housing for people in the arts and entertainment.
